# CALIFORNIA 911 SYSTEM

CA 911 Outages		
Northern California	Central California	Southern California
911 Outages	No 911 Outages	No 911 Outages

## 911 Outages/Remote/Community Isolations:

### **Forestville Central Outage Isolation, Sonoma County**

On 03/29/19 at 1644 hours, the California State Warning Center (CSWC) received a report from CA 9-1-1 Branch advising that the Forestville remote office has been isolated.

- Customers served by this remote office are not able to dial 9-1-1 at this time.
- Approximately 2,400 access lines unable to dial 9-1-1.
- This outage impacts landline customers only. Wireless calls are not impacted.
- The PSAP is unaffected by this outage, operations are normal and they have been made aware of the situation.
- AT&T has confirmed that the cause of the Forestville 9-1-1 isolation was a fiber cut.
- The severed fiber was located and repaired, someone drilled through it with an auger.
- The fiber cut has been repaired, but the office remains isolated.
- 9-1-1 calls for local landline customers are still not going through.
- Techs are on site and working on repairs. They have discovered that the remote's last mile connections are copper and believe that the cable may have been cut as well.
- A copper technician has been dispatched to diagnose and repair
- No ETR at this time.
- Updates will be provided as they are received.

### Service Interruptions:

- None reported.

# WEATHER OF CONCERN

## NORTHERN CALIFORNIA

- There is no significant weather of concern.

## SOUTHERN CALIFORNIA

- Mostly clear skies are expected with gusty north to northeast winds across the usual Santa Ana wind prone locations.
- Sunday will be warmer, with decreasing Santa Ana winds.
- Next week will be cooler as winds shift westerly and clouds increase.

### **Weather Advisories, Watches, and Warnings currently active in California:**

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca>

### **Active Weather Warnings, Watches and Advisories by County:**

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

# **WEATHER KEY POINTS**

**03/30/19 - 04/05/19**

## **Saturday-Sunday**

- Drier and warmer weather for the weekend
- Gusty winds across portions of southern California on Saturday will make driving difficult, especially for high profile vehicles

## **Sunday night-Wednesday**

- A relatively minor storm system is expected to move across northern California to start the week, with valley rain and mountain snow possible for the northern half of the state
  - Generally 0.50-1.00" precipitation expected across portions of Coastal and Inland Regions
  - Some mountain travel impacts possible due to accumulating snowfall
- Gusty winds increasing across Southern Region, especially Tuesday and Wednesday

## **Thursday-Saturday**

- A potentially stronger and wetter storm system could bring moderate to heavy rainfall to northern and central California to end the week, with Friday as currently the most likely day for heavy rain
  - Confidence in details with this storm should increase through the early portions of the week

# Cal OES LAW ENFORCEMENT MISSIONS

## Closed Cal OES Law Missions

- **2019-LAW-574, 03/29/19, 0745 hours:** AFRCC notified Warning Center of a non-registered PLB activation near the city of Gonzales in Monterey County. Coordinates: Latitude: 3631.1N / Longitude: 12123.8W (Hwy 101/ Espinosa). Monterey County SO was notified and dispatched a patrol unit to the area. MCSO reported no signs of distress were located in the area; they could not locate the PLB. AFRCC closed the mission; no new information. **MISSION CLOSED**
- **2019-LAW-562, 03/29/19, 0936 hours:** IERCC notified WC of a SPOT activation in reference to a non-injury T/C, 38.802500/-120.141270 (Hwy 50 at Cedar). IERCC also notified El Dorado County SO who has jurisdiction. El Dorado County transferred the call to CHP. CHP responded and took a report. **MISSION CLOSED**

## Ongoing Cal OES Law Missions

- **2019-LAW-558, 03/29/19, 0851 hours:** Butte County Sheriff's Office, requested 2 HRD K9s for a Law Enforcement sensitive mission. Mission schedule for 04/05/19 at 0800 hours. Cal OES LEB canine coordinator is coordinating the request. **MISSION ONGOING**
- **2019-LAW-580, 03/29/19, 1432 hours:** Sacramento County Sheriff's Office requested 3 water HRD K9s in reference to a possible drowning of a 42 year old man in the Sacramento River. The male went into the river to save his one year old child. Child was spotted by a CHP helicopter as a part of the response and then transported to UC Davis. Male has not been located. CALOES LEB canine coordinator is coordinating the request. **Update, 2016 hours:** SCSO requested Contra Costa Dive Team be put on stand by for tomorrow for continued search. Contra Costa dive team has accepted the mission. **MISSION ONGOING**
- **2019-LAW-526, 03/27/19, 0830 hours:** Santa Cruz SO, is requesting 7 HRD canine teams to assist with a Law Enforcement sensitive mission. Mission scheduled for 04/06/19. Cal OES LEB canine coordinator is coordinating the request. **MISSION ONGOING**
- **2019-LAW-510, 03/27/19, 1915 hours:** Sacramento Sheriff requested Solano Sheriff to provide mutual aid for a dive recovery mission. On 03/26/19, a vehicle traveling on US 50 at Pioneer Bridge was involved in a collision. The vehicle traversed off the bridge into the Sacramento River. Due to the depth of the vehicle, and several identified hazards in the area, Sacramento Sheriff requested Solano Sheriff's Dive Team, specialized equipment, and personnel. On 03/27/19, Sacramento and Solano personnel conducted an assessment of the mission. It was determined that a specialized barge will be needed to safely conduct the recovery. CHP and Sacramento Sheriff are working in a Unified Command posture for this incident. Cal OES Law Enforcement Branch (LEB) Assistant Chief has assumed coordination of this incident, and scheduled an agency stakeholder meeting on 03/28/19. **Update, 03/29/19:** Sacramento and Solano Sheriff's dive teams will dive on 03/30/19 to locate and identify the truck, and attach marker buoys. The recovery phase will depend upon arrival time of an ordered barge & crane. **MISSION ONGOING**

# Cal OES MISSION TASKING

## Cal OES Missions

- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-CREOC-58434:** Request for two DTSC Hazmat Teams to remove Household Hazardous Waste (HHW) from right of way and private property. Mission extended through 03/30/19. (On Scene)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)
